Title 18 U.S.C. § 843 and 27 CFR 555, Subpart D-Licenses and Permits provide the requirements for obtaining a Federal Explosives License or Permit (FEL/P). These provisions require applicants for an FEL/P to certify, among other things, that the explosives business or activity will be conducted in compliance with State and local law.

- Notice of the new location of the business or activity must be filed with ATF not less than 10 days prior to establishing the business or activity at the new premises. To allow for ample processing time, it is recommended ATF Form be submitted as soon as the new premises location is known.
- TYPE or PRINT with ball-point pen and provide your signature on back of form. All attached sheets must:
 - Be identified at the top of each page with your license name and license number.
 - Refer to the question(s) being answered.
- ATF Form must be executed (signed) by an existing responsible person (RP) on the license.
- If you have questions relating to this application or to obtain an e-mail address for your state or district's examiner to submit your request electronically, please contact the ATF Federal Explosives Licensing Center toll free at 1-877-283-3352 or FELC@atf.gov.

Privacy Act Information

The following information is provided pursuant to Section 3 of the Privacy Act of 1974 (5 U.S.C. § 552a(e)(3)):

- Authority.** Solicitation of this information is authorized pursuant to 18 U.S.C. § 843(a) Disclosure of this information is mandatory if the applicant wishes to obtain a Federal explosives license or permit.
- Purpose.** To identify the applicant; to identify the location of the premises; to determine the eligibility of the applicant to obtain such license or permit; to determine the ownership of the business or operations; and to identify responsible persons in the business or operations.
- Routine Uses.** The information will be used by ATF to make determinations set forth in paragraph 2. In addition, information may be disclosed to other Federal, State, foreign, and local law enforcement and regulatory agency personnel to verify information on the application and to aid in the performance of their duties with respect to the enforcement and regulation of firearms and/or ammunition where such disclosure is not prohibited by law. The information may further be disclosed to the Department of Justice if it appears that the furnishing of false information may constitute a violation of Federal law. Finally, the information may be disclosed to members of the public in order to verify the information on the application when such disclosure is not prohibited by law.
- Effects of Not Supplying Information Requested.** Failure to supply complete information will delay processing and may result in denial of the application.
- Disclosure of Social Security Number (SSN). Disclosure of the individual's SSN is voluntary. Under 18 U.S.C. 842(j) and 843; and Executive Order 9397, November 22, 1943, ATF has the authority to solicit an individual's SSN. The number may be used to verify the individual's identify.

Paperwork Reduction Act

The information required by this form is in accordance with the Paperwork Reduction Act of 1995. The information collection is used to determine the eligibility of the applicant to engage in certain operations, to determine the location and extent of operations, and to determine if whether the operations will be in conformity with Federal laws and regulations. The information requested is required to obtain or retain a benefit and is mandatory by statute (18 U.S.C. § 843).

The estimated average burden associated with this collection is 30 minutes per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to Resource Management Staff, Bureau of Alcohol, Tobacco, Firearms and Explosives, Washington, DC 20226.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
