(e) No employer, property owner, or property owner's agent shall be held liable in any criminal or civil action for damages resulting from or arising out of an occurrence involving the transportation, storage, possession, or use of a firearm, including, but not limited to, the theft of a firearm from an employee's automobile, pursuant to this Code section unless such employer commits a criminal act involving the use of a firearm or unless the employer knew that the person using such firearm would commit such criminal act on the employer's premises. Any appeal of the court's ruling on the petition for relief shall be de novo review.

(2) For both weapons carry license applications and requests for license renewals, the judge of the probate court shall within 5 business days following the receipt of the application or request also direct the law enforcement agency, in the same manner as provided for in subparagraph (B) of paragraph (1) of this subsection, to conduct a background check using the Federal Bureau of Investigation's National Instant Criminal Background Check System and return an appropriate report to the probate judge.

When no derogatory information is found on the applicant bearing on his or her eligibility to obtain a license or renewal license, a report shall not be required. The law enforcement agency shall return the application directly to the judge of the probate court within such time period. Not later than 10 days after the judge of the probate court receives the report from the law enforcement agency concerning the suitability of the applicant for a license, the judge of the probate court shall issue such applicant a license or renewal license to carry any weapon unless facts establishing ineligibility have been reported or unless the judge determines such applicant has not met all the qualifications, is not of good moral character, or has failed to comply with any of the requirements contained in this Code section. The judge of the probate court shall date stamp the report from the law enforcement agency to show the date on which the report was received by the judge of the probate court.

The judge of the probate court shall report such revocation to the Georgia Crime Information Center immediately but in no case later than 10 days after such revocation. (2) If a person is convicted of any crime or involved in any matter which would make the maintenance of a weapons carry license by such person unlawful pursuant to subsection (b) of this Code section, the judge of the superior court or state court hearing such case or presiding over such matter shall inquire whether such person is the holder of a weapons carry license. If such person is the holder of a weapons carry license, then the judge of the superior court or state court shall inquire of such person the county of the probate court which issued such weapons carry license, or if such person has ever had his or her weapons carry license renewed, then of the county of the probate court which most recently issued such person a renewal license. The judge of the superior court or state court shall notify the judge of the probate court of such county of the matter which makes the maintenance of a weapons carry license by such person to be unlawful pursuant to subsection (b) of this Code section. The Council of Superior Court Judges of Georgia and The Council of State Court Judges of Georgia shall provide by rule for the procedures which judges of the superior court and the judges of the state courts, respectively, are to follow for the purposes of this paragraph.

The license shall be of similar material, size, and thickness of a credit card and have a holographic laminate to secure and protect the license for the duration of the license period.

(3) Using the physical characteristics of the license set forth in paragraph (2) of this subsection, The Council of Probate Court Judges of Georgia shall create specifications for the probate courts so that all weapons carry licenses in this state shall be uniform and so that probate courts can petition the Department of Administrative Services to purchase the equipment and supplies necessary for producing such licenses.
