*******PRESS RELEASE*******

In late February of 2023, our agency had been made aware that Zhanda Carey (10-15-93), may be staying in the 100 Blk of Highland Dr., in unincorporated Logan County, who had a felony warrant from a Parole Violation, and other warrants stemming from a drive by shooting in Denver, CO. Surveillance was conducted by the Colorado Division of Parole, and Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) [Regional Anti-Violence Enforcement Network \(RAVEN\) Task Force](#), and they confirmed Mr. Carey was indeed at the residence. Due to Mr. Carey's violent history, gang ties, and his reputation for carrying firearms, we began to formulate an operation to arrest Mr. Carey. During discussions, the ATF RAVEN Task Force offered to take over the operation to assist in the arrest of Mr. Carey, and to assist in securing the scene for the evidential search warrant that had been obtained. During the briefing, we were informed that Mr. Carey had been arrested during an unrelated traffic contact. Due to needing to complete a search warrant on the residence, this morning, members of the ATF RAVEN Task Force, along with members of the Logan County Sheriff's Office, and members from the Northeastern Regional SWAT Team, conducted an operation in the 100 Blk of Highland Dr. to assist with the high risk search warrant. The area was quickly contained and deemed safe, a Code Red was sent out to those living in the area advising of the situation, and to shelter in place until the scene was secure.
